An international community of learners striving for excellence and celebrating success

Dear Parents

Road traffic issues.

Traffic Police visited the school at going home time yesterday and issued parking tickets to illegally parked cars on D Ring Road. The Traffic Police are taking the safety of your children seriously and I have been told that further visits will be made to ensure that cars not are parked in a dangerous way.

Tanja Road next to the school is reduced to one lane due to construction work. Parents may know already that this is causing additional delay at peak times. We have been told today that the road may be closed entirely by these construction works as a temporary measure. Parents and drivers are asked to park away from this area and walk their children to school for the duration of this obstruction.

Yours faithfully

David Davies

Principal
