

Code of Conduct for Parents and School Visitors

D Ring welcomes parents to the school at every opportunity. We hope you find every visit informative and helpful. The purpose of this code of conduct is to provide guidelines to all parents, carers and visitors to D Ring about expected conduct. This is so we can continue to progress and achieve an atmosphere of mutual respect and understanding.

We expect parents, carers and visitors to:

1. Treat all members of the school community with respect and set a good example in their own speech and behaviour.
2. Clarify a child's version of events with a teacher, in order to bring about a peaceful solution to any issue.
3. Correct their child's behaviour appropriately, where it could lead to conflict, aggressive behaviour or unsafe behaviour.

D Ring School will not tolerate parents, carers and visitors exhibiting the following:

1. Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, staff work area or any other part of the school grounds.
2. The use of loud or offensive language or displaying temper.
3. Threatening to, or cause actual bodily harm to any member of our school community, that includes all staff, parents or pupils, regardless of the reason.
4. Damaging or destroying school property.
5. Sending abusive or threatening emails, texts or letters.
6. Writing defamatory, offensive or derogatory comments about the school, pupils, parents or staff on social network sites. Any concerns should be communicated through the appropriate channels. In the event that any parent / carer is found to be posting libellous or defamatory comments on social network sites, the school will impose sanctions which may include blocking your child's re-enrolment. The issue of cyber bullying via an inappropriate social network entry, will be reported to the Police.

7. Approaching a child in order to chastise them, because of alleged actions of this child. Such an approach to a child may be considered an assault and may have legal consequences.

Should any of the above behaviour occur on school premises, D Ring School may consider it necessary to contact the police and if necessary ban the person from entering the school grounds.

We trust that parents and carers will assist School D Ring School with the implementation of this code of conduct and we thank you for your continuing support. Please make all persons responsible for collecting children, aware of this code of conduct.
